To the People of Lee County and the surrounding areas:
We the members of the Sanford Lions Club wish to extend to you, your family, and your friends a most cordial invitation to attend and participate in the activities of the Lee County Agricultural Fair for 1971, We also wish to thank you for the excellent support we have received from you in the past.

The Lee County Fair is the oldest county fair in the state to be sponsored continuously by the same organization. The Sanford Lions Club is proud of this record but realizes this would not be possible without the participation of the citizens of this area.

The Sanford Lions Club is a non-profit organization. The funds derived from the fair have never gone to benefit any individual member of the Club but have been used in contributions to the blind, the needy, and the less fortunate. Glance at the opposite page and see the list of some of the activities made possible by your support and participation.

Please examine the listings in this catalog and help us make the 1971 Lee County Fair another great event.

This is the place to proudly display your products, arts, crafts, and skills. You will receive recognition and valuable premiums for your efforts. Plan now to enjoy the exhibits and entertainment.

Sincerely,

James Naylor, President

Sanford Lions Club

We'll build another CP&L by 1977

We'll build another electric system the size of our present one by 1977.

The reason? To keep ahead of the demand for electric power, which has been doubling about every six years in our area.

Because of electricity's important role in our daily lives and in helping solve many of man's greatest problems in environment. medicine and education to name a few — we must build and expand.

We have a commitment to you. And we are working hard to keep it.
